

# Dinner Under the Stars

A Farm to Table Event Celebrating Local Food and Art

PRESENTED BY:

We are excited to announce a community-wide, Farm-to-Table dinner event featuring local produce from Southington's own farms.

Dinner will be served on the Town Green, under the stars, featuring *local* produce, *local* protein and *local* chefs – making this a truly unique community event.

*Proceeds go toward SoCCA's All Access program – which teaches creative work skills to adults with disabilities – with a portion of the proceeds going to Lewis Educational Agriculture Farm (L.E.A.F.).*

*SoCCA and L.E.A.F. are both 501(c)3 non-profit organizations.*
