Week of July 20-24

Painting Rain Barrels and Storm Drains with Mary DeCroce

Love public art installations? Be part of a really cool art project in Southington! Students will be designing artwork and painting storm drains around the building. We will also be painting rain barrels for water runoff. Why? Because we need to let people know not to pollute our storm drains which find their way to our waterways. Come join us; it's going to be a blast.
