Juror: Lori Holm, The Arts at Angeloria's, Executive and Artistic Director, relocated to Connecticut from the Napa Valley many years ago and has found her niche in New England greasing the wheels of bright young minds in her day job, making art and music, teaching the arts to others, designing costumes and sets for various theatrical productions, directing shows, learning lines and music for an upcoming theatrical venture, or playing in the sun during the A@A's summer camps! Lori's love of all arts can be traced back to her grandfather- a muralist, painter, and musician. Over the decades she has designed countless advertisements, logos and posters in addition to the artistry she brings to her canvases, gardens, photos, crafts and to the theatre. As was the case in California so it is here... Lori has made it a point to surround herself with loving, like-minded, talented, and creative individuals who understand that life is a feast for the eye, the ear, the mind, the heart, and the soul.
